

Thank you for purchasing the AudioKickstart.com Essentials Bundle!

By purchasing the AudioKickstart.com Essentials Bundle or any other sound effects bundle or individual sounds from AudioKickstart.com, **you acknowledge and agree to the following terms and conditions**. If you have any questions, contact us via sfx@audiokickstart.com.

1. You can use the sound effects for audio & video content such as video, film, podcasts, TV productions, radio productions, e-learning content, events and presentations, web pages, games, and apps, both commercial or non-commercial, as long as the sound effects are used in another work.
2. You can edit, modify or alter sound effects as required for use in a production. You may not create derivative works based on the AudioKickstart.com sound effects.
3. Unauthorized resale of the AudioKickstart.com sound effect bundles is prohibited.
4. You may not sell, loan, provide (remote) access to (online or offline), give away, sublicense, lease, or otherwise distribute the sound effects in isolation ('as they are') by any means. This includes, but is not limited to uploading any or all of the sound effects to websites, digital (streaming) platforms, putting the sound effects on CDs and/or make the sound effects available for download in any way.
5. You may not register or try to register any of the sound effects as a trademark or sound logo for your business.
6. Defamatory or otherwise unlawful use of AudioKickstart.com sound effects is prohibited.
7. The license to use the AudioKickstart.com sound effects is strictly personal and cannot be transferred.
8. AudioKickstart.com disclaims any liability for damages suffered through the use of the AudioKickstart.com sound effects.
9. These terms and conditions will be governed by the Dutch law. Any disputes that may arise from or related to these terms and conditions shall be settled by Rechtbank Midden-Nederland.
10. If you have any questions, you can contact AudioKickstart.com via sfx@audiokickstart.com.
